Re: *Meilus et al v. Restaurant Opportunities Center United, Inc. et al*
Docket No.: 21-cv-02554 (CM)

Dear Judge McMahon:

We represent defendants Restaurant Opportunities Center United, Inc., Sekou Siby, and Alicia Renee Farris (collectively, "Defendants") in the above-referenced matter. We write today with respect to the Court's Order, dated November 12, 2021 [DE 43].

By letter, filed on November 10, 2021, the parties jointly advised the Court that they were working with the Southern District's mediation program to determine if they would be able to globally mediate multiple outstanding issues, including claims from a matter filed in California [DE 42]. The parties are now able to report that the Southern District is able to accommodate such mediation, which has been scheduled for January 4, 2022.

With mediation now scheduled for early-January, the parties respectfully request that they provide a joint update to the Court regarding the status of settlement within one week of the mediation. If mediation ends in impasse, the parties propose they be able to complete discovery within two months.

We thank the Court for its consideration of this request.

Respectfully,

/s/ Adam E. Collyer
